

Tetiana Pan

Business trainer, facilitator, coach, mentor,

expert in training and developing teams and leaders,
founder of **Pan&Partners**

Dear partners, let's get acquainted. I will be glad to share my experience and expertise so that, together, we strengthen your teams' management competencies, teamwork and commercial results.

I train teams to systematically apply the skills of team management, business-process building and commercial performance management to achieve the company's business goals. I have worked inside international and national businesses — I understand how the system works from within.

25+ years

in sales — from sales manager to regional director (Danone, Olimp JSC)

20+ years

of managing teams, implementing standards and growing the company

17+ years

in training and consulting, trainer and head of training (Coca-Cola, Reckitt Benckiser, Olimp)

#2

in Ukraine's TOP-10 sales trainers

UBA, 2023

MY SPECIALIZATION

- Strategic sessions and sessions on creating and managing projects and processes.
- Training executives and top managers in leadership and team management.
- Sales and negotiation training, key account management.

AS A RESULT, TEAMS CAN

- **Analyze** their own work and the team's work.
- **Create an action plan** that leads to results.
- **Manage the metrics** of effective work.

OUR PROJECT GEOGRAPHY

Ukraine, Kazakhstan, Uzbekistan, Turkmenistan, Europe (Czechia, Spain, Poland), the USA, China. Working across different markets makes it possible to account for international trends and the business specifics of each country. Delivered projects include 1,500+ training programs in sales and negotiations across B2B and B2C.

Key *programs*

- 1 Team performance management — from goal to implementation and business results.
- 2 Strategic and facilitation sessions for top executives.
- 3 *“Negotiating with retail chains: margin protection and a strong supplier position”*
A program for KAMs and commercial teams on negotiating favorable terms and achieving company goals.
- 4 *“Procurement by the numbers: category economics and negotiation power”*
A program for buyers and category managers who make decisions through ROI, turnover and profitability, building sustainable and mutually beneficial partnerships.
- 5 *“Systematic B2B sales: from first contact to contract and client development”*
A program for B2B sales teams that want to win new clients, develop long-term partnerships and manage results through structure, accountability and entrepreneurial thinking.
- 6 Negotiation practicums — business games, negotiation duels and role plays.

WHAT DRIVES MAXIMUM RESULTS

- My own successful track record as an executive and business owner (work in international companies and 10 years of successful business).
- Continuous learning and bringing innovation into client training programs.
- A background in psychology — deep insight into the client's needs and tailor-made program design.

EDUCATION AND CERTIFICATIONS

- Specialized course at the University of Economics — “Management and Enterprise Economics”, Odesa, Ukraine.
- Business education and regular professional development (Ukraine, Austria, the USA, Spain).
- Certified coach (Coca-Cola University, ICF).
- Certified facilitator and moderator of strategic sessions.
- Psychotherapist (European Association of Gestalt Therapy, EAGT).
- Music college, piano teacher, Bukhara, Uzbekistan.
